Quote 1:

“History is not a collection of stories recounted for the sake of amusement and entertainment as some people believe it might look outwardly”

“Since it appears to be nothing more than news about days and states, but in reality there is an examination, investigation and explanation of historical events and figures as well as understanding of the modalities of the facts and their causes.

Quote 2

“History doesn't require a teacher, it only requires a foot that walks, an eye that sees and a heart to understand”

Abdel Aziz Al Tarifi
